A parcel known to contain a prohibited article, or a parcel intended for delivery at an address other than that borne on the parcel itself, is liable to be refused.

Undeliverable parcels which do not contain the address of the sender and are not applied for are liable to be disposed of after three months. Parcels containing perishable articles will be dealt with as may be requisite.

It is most desirable that the name and address of the sender should appear on the outside of every parcel.

IMPERIAL AND FOREIGN PARCEL POST.

PACKING.

Parcels for places abroad should be substantially packed with due regard to length of journey, conditions of transit, climate, etc., *e.g.*, cardboard or ordinary brown paper is not, in general, sufficient packing for a parcel sent to a place abroad. For some countries special kinds of packing are required by the Post Offices of transit or of destination.

CUSTOMS CHARGES ABROAD.

Any parcel is liable to be opened for Customs examination abroad; and the contents are subject to Customs Duty according to the laws of the country of destination. The Postmaster General can give no information as to the Customs tariff of particular countries, but if the sender desires an indication of the amount of duty likely to be levied, he should apply to the Department of Overseas Trade, 35 Old Queen Street, Westminster, London, S.W.1, and 73 Basinghall Street, London, E.C. 2.

CUSTOMS DECLARATION AND DESPATCH NOTE.

The sender of a parcel is required to make, for Customs purposes abroad—upon a special form or forms which can be obtained at a Post Office—an accurate declaration of the nature and value of the contents and other particulars. The form or forms should be filled up in ink. *Undervaluation of the contents of a parcel or failure to describe them fully may result in seizure of the parcel*, or in the imposition of a heavy fine. The net weight or quantity of the different kinds of articles contained in a parcel should be separately stated.

For postage rates and for particulars of the Services to individual countries, enquire at any Money Order Office. See also Table at pages 702 to 769 of the *Post Office Guide*.

AIR MAIL SERVICES.

Particulars of the services, showing Air Routes, Countries served, fees payable, etc., are given in the current Air Mail Leaflet, of which a copy can be obtained by applying at any Post Office.

The general regulations of the Air Mail are given hereunder:—

LETTER AIR MAILS.

1. *Any kind of letter packet may be sent by Air Mail*, that is, letters, postcards, printed papers and commercial papers, and samples. An Air Mail packet may be posted in any of the ordinary ways of posting. It can be accepted for registration (exception: Air Mail letters, etc., for Colombia), but *insurance* is limited to letters and boxes for Holland and Switzerland. The ordinary arrangements for *Express delivery* and the use of the green label system (for articles liable to Customs duty) apply.

2. *A special Blue Air Mail label must be affixed to the top left hand corner of every Air Mail packet.* These labels may be obtained, *free of charge*, at any Head or Branch Post Office and at certain others.

If an Air Mail label is not available the packet should be clearly marked "By Air Mail"; but *the use of a label will expedite the treatment of the packet.*

3. Air Mail correspondence must be prepaid in stamps to the full value of the combined postage and Air Fee. If the proper fees are not paid the packet cannot be sent by Air Mail.

PARCEL AIR MAILS.

4. Except where otherwise indicated hereinafter, *the General Regulations of the Imperial and Foreign Parcel Post apply, e.g.*, as regards maximum weight and dimensions, Customs Declarations and Despatch Notes, Compensation, etc., see pages 76-90 and 702 to 769 of the *Post Office Guide*.

5. *Accepting Offices.*—Air parcels may be posted at any Post Office which accepts parcels for places abroad. Air parcels *exceeding 11 lb. in weight* are accepted at the same Offices and under the same conditions as similar parcels for transmission by ordinary post.

6. *The sender of an Air parcel must affix an "Air Mail" label to the address label of the parcel and to the relative Despatch Note, and should write the words "Air Mail" conspicuously on the cover of the parcel. He must also prepay, in the usual way, the appropriate inclusive rate of postage, see pages 702 to 769 of the Post Office Guide.*

7. *In addition to rapid transit by Air service, an Air parcel is usually given speedy Customs clearance abroad. It is important, in order that these advantages may not be thrown away, that the relative Despatch Note and Customs Declarations should be very carefully completed in accordance with the general regulations.*

8. *Air parcels cannot be insured, except in the case of those for Holland and Switzerland.*

9. *Particulars of the Air Parcel Services available are given in the Air Mail leaflet. The latest times of posting can be ascertained by enquiry at the local Head Post Office.*

Note.—During the winter certain of the services are either suspended or offer no appreciable advantage for mails from Great Britain—see current Air Mail leaflet.

Post Office Telegraphs.

TELEGRAPH AND TELEPHONE REPRESENTATIVE (INLAND AND OVERSEAS).
Telephone No. Off. 49.

INLAND TARIFF.

The charge for Telegrams throughout the United Kingdom is 1s. (1s. 6d. for Telegrams addressed to the Irish Free State) for the first 12 words, and 1d. for each additional word. Addresses are charged for. Telegrams handed in on Sundays are charged 6d. extra.

A Telegram can be repeated back from Office to Office throughout the course of transmission if the Sender desires to adopt this precaution against error. The charge for repetition (which must be paid when the Telegram is handed in) is one-half the charge for transmission. If containing mercantile quotations or code words a Telegram ought always to be repeated. If the receiver of a Telegram doubts its accuracy he may have the whole or any part of it repeated without charge so long as the original telegram form is on hand at the office of origin.

The cost of a reply not exceeding forty-eight words may be prepaid.

Copies of a Telegram, directed to more than one firm or person in the same free delivery will be delivered separately at an additional charge of fourpence per copy beyond the first. Each London Postal District is regarded for this purpose as forming a separate delivery.

Figures are counted at the rate of five figures to a word. Fractions are counted according to the number of figures employed, one figure being counted for the mark of division, thus— $\frac{1}{2}$ counts as one word, and $109\frac{1}{2}$ as two.

All Telegrams for delivery at addresses within three miles of the office of delivery, or within the town postal delivery in the case of a Head Post Office, are delivered free. The charge for delivery of a telegram at any address beyond the limits of free delivery is at the rate of 6d. for each mile, reckoned from the boundary of the free delivery, any fraction of a mile being reckoned as a mile.

NIGHT TELEGRAPH LETTERS.

Night Telegraph Letters, which must be in plain language and must bear a full address, are accepted by telephone or over the counter at the Head Office up to 12 midnight to obtain delivery by post the following morning in towns which have a night telegraph service. They may also be posted within the town area, but should be posted so as to reach the Head Office by midnight. The rate is 1s. (1s. 6d. for an address in the Irish Free State) for 36 words or less, and 1d. for every three words beyond 36.

REGISTERED ADDRESSES.

Any person may register an abbreviated or arbitrary address on payment of a fee of £2 a year, dated from the day of registration. The address must consist of two words, one of which is to be the town or place of delivery.

An abbreviated address, for use solely in connection with telegrams from abroad, is given free of charge to firms engaged in business in connection with which telegrams are received from overseas.

DELIVERY BY TELEPHONE.

In most cases subscribers to exchanges may arrange to have their telegrams delivered by telephone instead of messenger without further charge.
